A big THANK YOU to all the bakers and helpers who donated their efforts to the Cookie Walk. It was a snowy and chilly afternoon, but everyone walked away happy with plates of delicious cookies ready for the holidays.

---St. John's Stamp Collection---

In part with Bethal Lutheran Church, St. John's will once again be collecting used stamps from across Western Canada. The stamps collected from donations are sold to collectors and the revenue from sales are used to purchase Bibles for the Canadian Prison Ministry.

Any questions or for more information please contact Jean Antoniuk.

---Keeping Everyone Warm This Season---

For the month of December, St. John's will be collecting warm winter items to donate to our local Heart 2 Hearts charity. Items such as coats, mitts, toques, ski pants, ect. will be used to help keep those in need warm throughout the cold winter months.
